Guess who just got banned from TST for filing a report about a member of leadership in TST raping them along with everyone that has been talking to the police. This gal!

For more fun information follow and subscribe! I'll be releasing fun content such as... people asking me for nudes, said member of leadership spreading libel, chat logs from leadership chat that show what they really think of rape victims, and for the premium subscribers we'll have something super special! Audio logs with TST International Leadership and spicy local leader meeting chat logs. Content will be supplied as rapist are convicted 🍷🍷
